

INDEX

VOLUME III, Nos. 1-12 (SEPTEMBER, 1952—AUGUST, 1953)

	PAGE		PAGE
A			
Abstracts, 22, 55, 104, 108, 112, 148, 184, 218, 244, 247, 285, 328, 351, 384		Cheilosis, angular - - - - -	198
Academy for Oral Rehabilitation of Handicapped		Chinese, suppurative osteomyelitis of mandible in	160, 192, 231, 296
Persons - - - - -	229	Cleft palate operation, televised - - - - -	32
Acrylic fillings, self-polymerizing - - - - -	111	— — problem, the logical approach to - - - - -	279
Adhesive dusters - - - - -	379	Continental Dental Society, Spring Meeting Pro- gramme - - - - -	246
Air in enamel spindles, removal and replacement of	18	COWAN, ADRIAN: Dental and dentigerous cysts - - - - -	130
ALLWRIGHT, WALTER C.: Suppurative osteomyelitis of the mandible - - - - -	160, 192, 231, 296	Critics' corner - - - - -	233, 321
Anaesthetic cartridges, empty, use for gardeners - - - - -	149	CROSS, W. G.: A survey of periodontology in U.S.A. and Canada - - - - -	206
Apical infection, radiographic evidence - - - - -	24	Culture medium, saliva as - - - - -	265
Apicectomy: is it always necessary? - - - - -	337	CUTHBERTSON, G. A.: Non-surgical reduction of the pocket - - - - -	176
— root filling and (radiographic chart) - - - - -	56	Cysts, dental and dentigerous - - - - -	130
APPLETON, J. L. T.: Some facets of research at Pennsylvania - - - - -	262	— radiography of - - - - -	180
B			
BALLARD, C. F.: An orthodontic view of occlusion in relation to periodontal problems - - - - -	311	D	
BERESFORD, J. S.: A tuberculated deciduous lateral incision - - - - -	143	Deciduous lateral incision, tuberculated - - - - -	143
BERRY, HARRISON M.: On the roentgenographic evaluation of root anatomy in endodontics - - - - -	271	Dentafl - - - - -	111
Book reviews (See Reviews)		Dental Board of the United Kingdom: Chairman's Address, 122, 308; New filmstrips on dental care, 380; Post-graduate courses grants, 322; Sixty-third session - - - - -	185
Bridges, hydrocolloid technique for, some useful accessories to - - - - -	226	— caries, fluoride and - - - - -	79
British Society of Periodontology, Proceedings of:		— clinic, new semi-trailer - - - - -	173
Dental Health education in Scandinavia, 113; Electrosurgery for gingivectomy, 190; The need for pocket elimination, 175; Non- surgical reduction of the pocket, 176; An orthodontic view of occlusion in relation to periodontal problems, 311; Presidential address, 87; Programme, 54; Some patho- logical changes associated with enlargement of the gingivæ, 235; Surgical gingivectomy in pocket elimination, 178; A survey of periodontology in U.S.A. and Canada - - - - -	206	— and dentigerous cysts - - - - -	130
C			
CANADA, survey of periodontology in - - - - -	206	— health education in Scandinavia - - - - -	113
Caries, dental, fluoride and - - - - -	79	— lists, removal of name from - - - - -	54, 174, 320, 355
Casting investments, a review of - - - - -	390	— mechanics and materials, IV - - - - -	43
		— radiography - - - - -	25
		— — courses on - - - - -	183
		— treatment during pregnancy - - - - -	98
		Dentigerous and dental cysts - - - - -	130
		Dentists Register, removal of name - - - - -	244
		Dentine-base alloys, metallurgy, mechanics, and economics of - - - - -	303
		Dentures, partial, planning and design of - - - - -	2, 47, 76, 108
		DILLON, CHARLES: Fluorine and dental caries - - - - -	79
		— — Method of determining calcium-precipita- ting fluoride salts in drinking water and the causation of mottling - - - - -	101
		— — The pathological significance of mottled teeth - - - - -	366
		DIXON, ANDREW D.: The early development of the maxilla - - - - -	331
		Dusters, adhesive - - - - -	379
